TIMELESS

IT'S ALL IN THE DETAILS...

About Anna Smith Photography :

Hi! I am Anna, and I am the lead photographer and the creative eye behind the face of Anna Smith Photography and Anna Smith Weddings. I am based out of Dallas, TX but travel often - my bags are always packed and passport ready!

My style for fine art photography is timeless, bright and candid. I have found my niche in weddings and can't explain how much pleasure it brings me to photograph your day. I honestly believe the most beautiful moments occur when they are unexpected. I am proud to have been consistently featured in popular magazines and wedding blogs such as D Magazine, The Knot Magazine, Brides of North Texas Magazine, Southern Bride Magazine, Destination Weddings Magazine, Modern Luxury Bride Magazine, Style Me Pretty, Wedding Chicks and many others.

MEET ANNA

I Choose You

I found a deep passion in caring for people and understanding that connections between human beings are really the essence of life. I believe our loved ones give life fulfillment and meaning, and that needs to be celebrated and documented in the most sincere and authentic way possible. This understanding has translated into how I handle my photography business, which I started in 2012, after paying off all my student loans and saying hello to personal life! I graduated from Texas A&M in 2008 and also bleed maroon like the rest of crazy Aggies you probably know.

I believe that doing something that you are passionate about and pursuing those passions fully are some of the major keys to happiness in life. I can't tell you the amount of joy that it has brought me to watch how excited my couples are about their photos, how much emotion and gratitude there is on a daily basis in weddings. I tear up during speeches because of all those connections people make during their lives, and that is a beautiful thing. That is the reason I choose to photograph your wedding. Not because I have to, but I choose you, just as much as you choose me. I choose you because your day and your moments are something that I have a deep passion for, and it makes me extremely happy.

My Style

I am in love with natural light. I want my images to be classy, modern and beautiful. I love to getting to know my couples and focus on their personalities and emotions. My goal is to capture your day in the most authentic, photojournalistic way. I will stay out of the way and photograph your big moments, but never forget the small ones too. I want you to have your own very organic memories. I believe the less interference the better.

My Intentions

I intend to deliver images that you are in love with! I will try to add to your wedding day by keeping you stress-free and breezing through your wedding day photos. We will become friends through the process and stay in touch with you while your family grows. One thing I feel the most confident about is my capability to photograph your day in a magical way - I've got this!

THE ARTIST

BRIDAL BOUDOIR

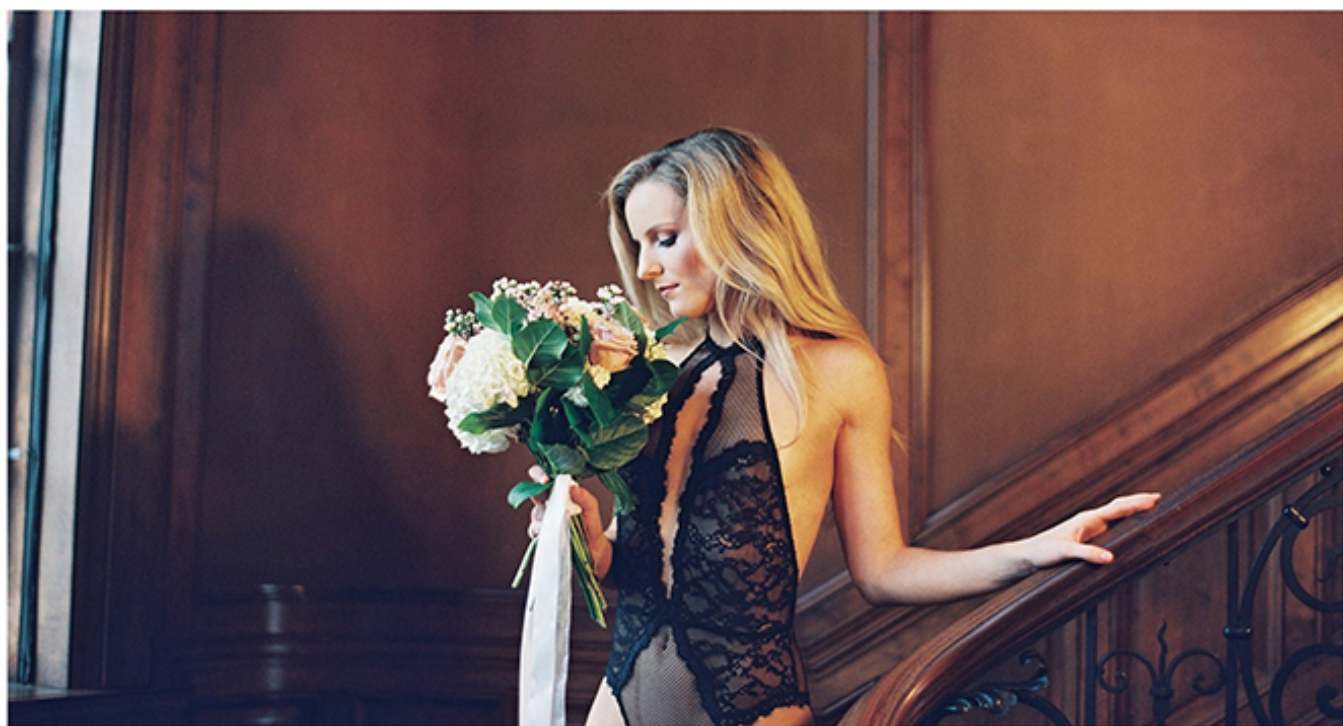

What do past clients say about doing a boudoir session?

“Seeing photos of myself allowed me to see myself in a new light and helped me tai an ounce or two of confidence. I didn’t know how sexy I could be!”

“I would highly recommend a boudoir shoot with Anna Smith. She is so much fun to shoot with and makes you feel beautiful and confident the entire time”

WHAT IS A BOUDOIR SESSION?

I absolutely love photographing boudoir sessions. I believe our beauty and femininity needs to be celebrated. I want to empower you and make you feel gorgeous in your own skin. These sessions are not meant to be provocative or skimpy. I want them to be classy-beautiful. These make a great gift for your husband to be on your wedding day in one of our gorgeous photo books. Don't forget to bring any bridal elements such as your veil, jewelry, headpieces and wedding robes.

I shoot boudoir either at hotels or wedding venues with lots of window light. I suggest booking one of the high-end hotel rooms for the night and having your session in the morning. Most girls book a hotel room for the night and surprise their significant other for a small getaway after the session so fun can be had by all!

A woman with dark curly hair, wearing a pink lace crop top, a white wide-belted skirt, and high-heeled sandals, stands in profile looking out a large, dark-stained wooden sliding barn door. The room has a rustic aesthetic with a brick wall, a brown leather sofa with cow-print pillows, and a stack of bright orange crates. The floor is dark and polished. The text "LOVE IS THE BEGINNING OF THE GREATEST JOURNEY" is overlaid in white, centered, with thin white lines above and below it.

LOVE IS THE
BEGINNING OF THE
GREATEST JOURNEY

A bride with blonde hair, wearing a white sleeveless dress and a pearl necklace, is looking down at a large bouquet of flowers. The bouquet features pink and white roses, greenery, and small white flowers. The background is a soft-focus outdoor setting.

A Note from a Bride :

Anna is amazing. She is very kind and genuine and she knew exactly what to do, how to direct everyone and how to get amazing shots. She has an amazing eye for detail and I don't know that there are words to do justice to how beautiful our pictures are.

She captured beautiful candid shots and intimate moments without being obtrusive and the guests were all as impressed as we were! Amazing!

-Sanjana

JUST THE BEGINNING...

A Photo Tip :

When planning for the big day, remember to include fun accessories! Your shoes, jewelry, flowers, and other small details and decor will make your wedding pictures that much more memorable. Bring your stationary set as well as any ribbon to match your wedding colors! We love Mrs. Boxes for ring shots as well as any special fabric that may match your day. Great places to order ribbon is Silk Willow! Have all the details as well as your wedding dress ready for us when we arrive so we can shoot details first and get to you girls getting ready quick!

ASSOCIATE PHOTOGRAPHER PACKAGES

As my photography business expanded, Anna Smith Photography grew in to a brand I named Anna Smith Weddings and Lifestyle which also offers associate photographer bookings for your big day.

What does this mean?

This simply means is that I have found some awesome people that have worked with me over the last several years to take on their own weddings shooting in my style.

You can meet Ryan and Chrisy on our www.annasmithweddings.com website and read more of their stories and look at their work. When you book an associate package, Ryan or Chrisy will be the one photographing your big day while I will still be shooting all your sessions such as engagement, bridal, boudoir or anniversary. I will also be the one editing the photos post-wedding to ensure we keep to similar style of my photography.

These guys also rock weddings!

ADD ONS

Extra Hours

Base wedding packages are built with an approximate 6-8 hours of wedding day coverage. That time is flexible, but if you are planning an extra long day we may need to add a few more hours to your package.

Wedding Albums and Books

Sometimes, one album isn't enough. If your package came with one album, we can always order a second one as well.

Print Products

Canvases and Fine Art Prints are stunning ways to display your best moments. These are treated with special coatings that help the product not fade for over 100 years, much different than store bought canvases that fade within a year. Display one of these in your home for a special way to remember your wedding.

Prints

Prints are available from wallet sizes all the way up to sizes in the range of 30x40. Available in glossy, matte, pearl and metallic.

Extra Sessions

Add on an additional session of your choice!

Boudoir Session

Lingerie session, great gift for your husband on your wedding day or as a present for Valentine's Day or your Anniversary.

Anniversary Session

Don't forget about your anniversary sessions! Those are important too!

WE WERE SO LUCKY TO HAVE ANNA SMITH PHOTOGRAPH OUR WEDDING. SHE IS A TOP NOTCH PHOTOGRAPHER WHO NOT ONLY HAS AN INCREDIBLE EYE FOR AMAZING PHOTOS, BUT IS ALSO EXTREMELY FRIENDLY, ATTENTIVE, AND ORGANIZED IN THE FACE OF WEDDING DAY CHAOS. I'M BLOWN AWAY... I HONESTLY COULD NOT IMAGINE HAVING A BETTER EXPERIENCE AND HIGHLY RECOMMEND THAT EVERYONE GIVE ANNA SMITH CONSIDERATION WHEN DETERMINING A PHOTOGRAPHER FOR YOUR BIG DAY.
