TIMELESS

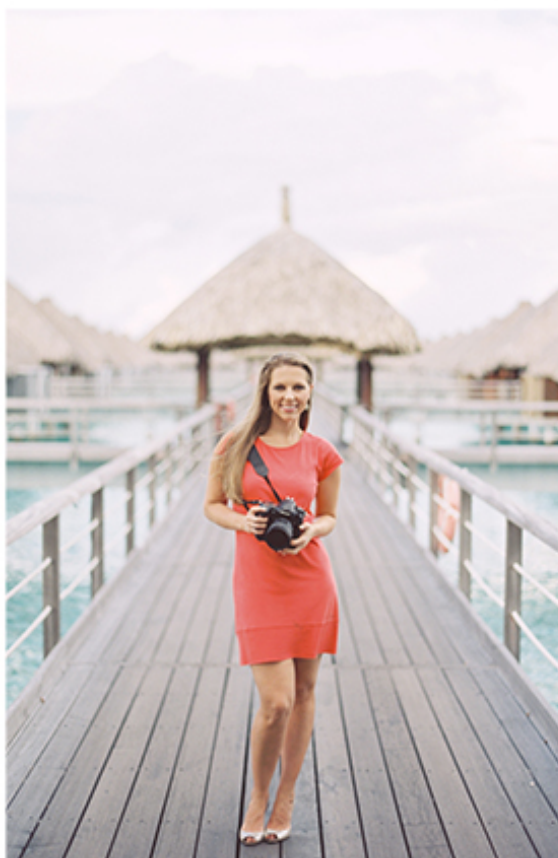

THE ARTIST

IT'S ALL IN THE DETAILS...

About Anna Smith Photography :

Hi! I am Anna, and I am the lead photographer and the creative eye behind the face of Anna Smith Photography and Anna Smith Weddings. I am based out of Dallas, TX but travel often - my bags are always packed and passport ready!

My style for fine art photography is timeless, bright and candid. I have found my niche in weddings and can't explain how much pleasure it brings me to photograph your day. I honestly believe the most beautiful moments occur when they are unexpected. I am proud to have been consistently featured in popular magazines and wedding blogs such as D Magazine, The Knot Magazine, Brides of North Texas Magazine, Southern Bride Magazine, Destination Weddings Magazine, Modern Luxury Bride Magazine, Style Me Pretty, Wedding Chicks and many others.

MEET ANNA

I Choose You

I found a deep passion in caring for people and understanding that connections between human beings are really the essence of life. I believe our loved ones give life fulfillment and meaning, and that needs to be celebrated and documented in the most sincere and authentic way possible. This understanding has translated into how I handle my photography business, which I started in 2012, after paying off all my student loans and saying hello to personal life! I graduated from Texas A&M in 2008 and also bleed maroon like the rest of crazy Aggies you probably know.

I believe that doing something that you are passionate about and pursuing those passions fully are some of the major keys to happiness in life. I can't tell you the amount of joy that it has brought me to watch how excited my couples are about their photos, how much emotion and gratitude there is on a daily basis in weddings. I tear up during speeches because of all those connections people make during their lives, and that is a beautiful thing. That is the reason I choose to photograph your wedding. Not because I have to, but I choose you, just as much as you choose me. I choose you because your day and your moments are something that I have a deep passion for, and it makes me extremely happy.

My Style

I am in love with natural light. I want my images to be classy, modern and beautiful. I love to getting to know my couples and focus on their personalities and emotions. My goal is to capture your day in the most authentic, photojournalistic way. I will stay out of the way and photograph your big moments, but never forget the small ones too. I want you to have your own very organic memories. I believe the less interference the better.

My Intentions

I intend to deliver images that you are in love with! I will try to add to your wedding day by keeping you stress-free and breezing through your wedding day photos. We will become friends through the process and stay in touch with you while your family grows. One thing I feel the most confident about is my capability to photograph your day in a magical way - I've got this!

A woman with blonde hair styled in waves, wearing a white, strapless, ruffled wedding gown with a beaded belt and a tiara, stands in a room. She is positioned in front of a large, ornate wooden cabinet with a curved top and a large mirror above it. The mirror reflects a potted plant. To the right, a black lamp with a white shade sits on the cabinet. The text "FOREVER PRICELESS" is overlaid on the lower left of the image.

MOMENTS THAT MATTER

ENGAGEMENT SESSIONS

Engagement sessions are usually done shortly after booking your wedding! I will send out a location guide with some ideas for DFW and the surrounding areas. I recommend doing a sunrise or a sunset session as these are the times that the light is the softest and looks best! Let me know a few dates that work for you and we will schedule it at your convenience.

You can choose to wear one or two outfits for the session. If you choose to wear two outfits, I recommend wearing a formal and a casual look, but it is up to you!

Sessions usually take about an hour! I can't wait to photograph your love together through the year!

BRIDAL SESSIONS

Bridal sessions are so much fun! You get to wear your wedding dress and get some gorgeous shots without the rush and pressure of the big day.

I recommend scheduling your bridal session as soon as you have your wedding dress ready. Remember, if you are booking a hair and make up artist you will have a trial run. You can schedule your trial run for your bridal session and see just exactly the look you will have for your wedding!

Bridal sessions can be done in any location in DFW as well as your venue. A lot of the times I recommend having it somewhere other than your wedding venue since you will have plenty of wedding photos on your wedding day at the venue.

You go gorgeous!

BOUDOIR SESSIONS

I absolutely love photographing boudoir sessions. I believe our beauty and femininity needs to be celebrated. I want to empower you and make you feel gorgeous in your own skin. These sessions are not meant to be provocative or skimpy. I want them to be classy-beautiful. These make a great gift for your husband to be on your wedding day in one of our gorgeous photo books. Don't forget to bring any bridal elements such as your veil, jewelry, headpieces and wedding robes.

I shoot boudoir either at hotels or wedding venues with lots of window light. I suggest booking one of the high-end hotel rooms for the night and having your session in the morning. Most girls book a hotel room for the night and surprise their significant other for a small getaway after the session so fun can be had by all!

What do past clients say about doing a boudoir session?

"Seeing photos of myself allowed me to see myself in a new light and helped me gain an ounce or two of confidence. I didn't know how sexy I could be!"

"I would highly recommend a boudoir shoot with Anna Smith. She is so much fun to shoot with and makes you feel beautiful and confident the entire time"

WE DO.

THE DAY WILL GO BY
QUICKLY, BUT YOUR
PHOTOS WILL LAST
FOR AN ETERNITY.

ANNIVERSARY SESSIONS

Anniversary shoots are so important because they represent milestones! Marriage is beautiful and so is growth that you do as a couple through the years!

Just because your wedding is over does not mean that you don't get to take beautiful photos that document your lives forever.

You can go ahead and add an anniversary session to your package and schedule those for your 1 year celebration!

Life and love is to be celebrated!

So, celebrate you love birds!

JUST THE BEGINNING...

WE WERE SO LUCKY TO HAVE ANNA SMITH PHOTOGRAPH OUR WEDDING. SHE IS A TOP NOTCH PHOTOGRAPHER WHO NOT ONLY HAS AN INCREDIBLE EYE FOR AMAZING PHOTOS, BUT IS ALSO EXTREMELY FRIENDLY, ATTENTIVE, AND ORGANIZED IN THE FACE OF WEDDING DAY CHAOS. I'M BLOWN AWAY... I HONESTLY COULD NOT IMAGINE HAVING A BETTER EXPERIENCE AND HIGHLY RECOMMEND THAT EVERYONE GIVE ANNA SMITH CONSIDERATION WHEN DETERMINING A PHOTOGRAPHER FOR YOUR BIG DAY.

THE BOOK SHOPPE

12x 12 Heiloom Leather Covered Album:

When I say this is one of my favorite products that I offer, I am underestimating. When you see this album at the consult you will know what I mean, and you will want one. They are stunning, shiny, and they make a statement.

Printed on gorgeous photographic pearl paper with your choice of color leather cover. Wow.

These come as 20 pages and can fit about 50 photos from your wedding day. I design each individually and deliver in style!

They can come in 12x12, 10x10 or an 8x8 for a parent album.

THE BOOK SHOPPE

Photos you can't get enough of:

50 page engagement books are to die for! Forget the old and ugly sign in books. These custom round linen fabric photo books are gorgeous, have a feel of a library book and can store around 40 of your engagement photos for guests to enjoy and sign their well wishes next to your story. You can also elect to have one of these as your boudoir session book for your future husband! A gift he will never forget! This beauty parallels the kind of books you get lost in at the bookshop.

A bride in a white lace dress is sitting in a field of tall grass. She is holding a bouquet of white flowers. Behind her is a white horse. To her right is a table with candles and flowers. The scene is set in a field with a body of water in the background.
