## A LITTLE ABOUT ME!

### *About Anna Smith Photography :*

*Hi! I am Anna, and I am the lead photographer and the creative eye behind the face of Anna Smith Photography. I am based out of Dallas, TX but travel often. I have 2 little twin girls who are the light of my life. I graduated from Texas A&M University and I love life.*

*I believe that moments in life matter, and I love to capture them in such a way that brings joy to family and friends for many years to come. I have found my niche in lifestyle photography and can't explain how much pleasure it brings me to photograph your day. I honestly believe the most beautiful moments occur when they are unexpected. My work has been featured in countless publications and magazines since 2012. Photography is a passion that brings joy, and I have always had an eye for love, family connections and faith.*
